Powell, Ohio - at the farm

Selling 83 Head

Dorper and White Dorper Breeders,

It gives me great pleasure to invite you to our 5th Production Sale at the farm in Powell, Ohio. As in the past, we will be selling some very high quality individuals that have won and produced National Champions for us. The stud rams have worked for us and I am confident they will work for you. The Brood ewes and Yearling Ewes will sell exposed for fall lambs. They will be mated as if we were keeping them. The fall and spring ewe lambs will be Nationally Futurity nominated.

In 2016 we were awarded Best Consignment at the Duncan Sale, the Big Ohio Sale and Sedalia.

The future for the dorpers continues to be bright with record registrations and transfers, record turn outs for shows, record high sale averages at the sales and more shows in all parts of the country.

For those flying in or driving from a distance, there are hotels listed. Call right away for reservations.

The sheep will be on display on Friday. Plan to join us Friday night for a social event.

As of print time there is a truck and trailer heading east to Massachusetts, one from Texas and Riverwood Farms will provide transportation to Sedalia in June.

Looking forward to seeing you at the sale May 20th.

Eric Bruns

P.S. There will be no loading of sheep until the sale is completed.
